NOTES:

Lovely 7 years old bitch, but with overweighed so i could not bring with me to hunt, exl head with correct proportions, exl pigmentation in nose and eyes, exl earset, a bit flat in shape with correct lenght, exl neck, exl strong backline, a bit height at croupe, exl ribcage, but a bit short in bottom, i would like to see more forechest, strong bone in front legs with lovely catfoot, but with too much skin and wrinkles, i would like to see a longer upper arm, rear legs with strong bone bit straight in angulations, too much skin in the hocks, i would like to see better reach and drive in movement, lovely temperament
